

## Federal Price Transparency Regulations

---

General Price Transparency Disclaimer Language: This list of charges reflects the standard charges of inpatient and outpatient services provided at Hospital District No. 6 of Harper County, Kansas. The hospital's charges are the same for all patients, but the patient's financial responsibility for services provided may vary, depending upon payment plans negotiated with individual health insurers as well as reimbursement schedules set forth by public payers such as Medicare and Medicaid. Patients should contact our staff for assistance. These charges do not include items or services that may be billed separately for physician services, lab diagnostic services, etc. Charges are subject to change.

Legal Disclaimer Language: Listed charges do not constitute a contract.
