Breathe EASY

We are happy to help you set up your CPAP and Oxygen supplies. We are available after hours for those who have oxygen emergencies by calling (888) 425-4862.

Pamper your feet

We carry a complete line of diabetic shoes that are stylish and comfortable.

These shoes are also appropriate for those with foot problems. Call and schedule an appointment with our shoe specialist.

Need a boost?

Lift chairs are beneficial for anyone who needs a little extra assistance getting in and out of a chair.

These are especially beneficial for people who have arthritis or are in wheelchairs.
